## SUPREME COURT-CHAMBERS.

The Civil Justice Imbroglio-Murray vs. Coulter-Opinion of Judge Brady. In this interesting squabble for office Judge Brady has delivered the following opinion:-

an action of this character shall be brought and continued—(code 432, the People vs. The Attorney General; 22 Burborn, 114)—and if he determine there being several claimants to bring an action for each one he may do so, but I think the Court has the power to compel a consolidation, a proceeding contemplated by section 44) of the Code. It is the better course to unite the claimants and try the right to the office in one action, inasmuch as the proof is kindred in character and the defendants should not be subjected to the expense of litigation, which, unless united, must each be affirmative and independent of the other, though dependent on the same proofs. This Court has no power to dismiss a proceeding like this, although it is in seeming conflict with a similar one for another person, the relator laving an interest in the controversy, and necessarily joined as a party (Code 434: The People ex rel. Crane vs. Ryder; 2 Kernan, 433). The order to consolidate cannot be granted, because neither the other claimant, through the Attorney General nor the latter, has had proper notice of such an application. Motion denied. an action of this character shall be brought and

### COMMON PLEAS-SENERAL TERM. Did the War of the Rebellion Invalidate Contracts ?-Interesting Question of Copartnership.

Nelson McSlen, Plaintiff and Respondent, vs. Edward Maithews, Impleaded with James S. Brander, Jr., and Samuel L. Chambliss, Defendant and Appellant.—This was an interesting appeal in refer-ence to a transaction which occurred immediately Appellant,—This was an interesting appeal in reference to a transaction which occurred immediately preceding our recent war. The complaint states four causes of action. The first is against the defendants, who compose the firm of Brander, Chambliss & Co. as aceptors of a draft dated April 24, 1801, for the sum of \$8,050 od, and drawn at twelve months. The second is against them as acceptors of a draft dated February 26, 1802, for the sum of \$1,153 79, and payable on October 7, 1802. The third is against them as acceptors of a draft dated February 22, 1802, for the sum of \$107 97, and payable on October 7, 1802; and the fourth is against them as makers of a promissory note, dated January 2, 1802, for the sum of \$107 97, and payable on October 7, 1862; and the fourth is against them as makers of a promissory note, dated January 2, 1802, for the sum of \$107 97, and payable on October 7, 1862; and the fourth is against them as makers of a promissory note, dated January 2, 1802, for the sum of \$804 25. The defendant Matthews appeared alone and answered, and denied the partnership was agreed upon, provided James 8. Brander, Sr., assented, but that he refused, and that the partnership was never formed. In further answer, Mr. Matthews states that Louisiana seceded on April 16, 1891; that war ensued, and that New Orleans was occupied by the enemy until about March 30, 1802; and further, that the plaintiff and the other parties to the drafts and note were residents of New Orleans and, consequently, enemies of the United States. He alleges further that the draft for \$3,050 06 was accepted for the accommodation of walker, Cheatham & Co., the drawers, without consideration, and was by them transferred to Mosten, Value & Co., the drawers, Joran antecedent debt due them by the drawers, Joran whi

# COURT OF GENERAL SESSIONS.

A Pickpocket Sent to the State Prison for

Five Years.
Before Gunning S. Bedford, Jr., City Juage. Assistant District Attorney Fellows appeared for the prosecution yesterday in this court disposed of a large calendar. The first prisoner called was Thomas Smith, an admirable prisoner called was Thomas Smith, an admirable specimen of the young "dead rabbits" of the metropolis, who was tried and convicted of grand larceny, he having stolen a gold watch valued at \$225 on the night of the 25th of January from the person of Thomas Norton, while attending a ball in Brookes' Assembly Rooms. Before the jury was sworn the complainant informed the prosecuting officer that he could not identify the accused and that there was nothing in the case. Judge Beifford said he would not consent to have an alleged pickpocket discharged without further investigation. The trial was ordered to proceed, and it turned out that Smith voluntarily confessed to having taken the watch and pawhed it in Canal street. The officer forcured the watch and had it restored to the owner. His Honor said that he was informed by the policeman that the prisoner belonged to 'a gang of theyes in the Fourteenth ward, and that there was an Indictment for burglary and till tapping against him; and further that his son, that he wished the officer to do all he could to secure his conviction. The severest penalty of the law—which was the years in the State Prison—was imposed by the City Judge.

James Morgan and William Butler, who pleaded guilty to petty larceny from the person, in stealing a silver watch from William Murpuy, were each sent to the State Prison for two years and six months.

John Dolan pleaded guilty to burglary in the third degree, having been charged with stealing a carpetbag containing \$165 worth of property from the paggage room of the Jersey ferry. ## THE LAW C.URTS AND GOOD FRID.Y.

Out of respect and reverence for the Day of the Atonement, all the courts of law adjourned over from Jesterday until to-morrow.

A Conscience Stricken Defaulter.—A federal officer named, George Ebbet surrendered minseif yesterday to Sergeant Douglas, of the Fourth precinct police, and desired to be locked up. He says that he has been a lieutenant in the federal army, and stationed at Luredo, Texas, where he has been quartermaster up to the 8th of January last, and that he left there a defaulter to the government to the extent of \$6,000. That, arriving nere, be could no longer endure the reproaches of his conscience, and accordingly surrendered nimself. He desired that the intelligence might be immediately conveyed to the military authorities. The circumstance is a singular example of official conscientiousness.

New Orleans Ficauene, Surch 25.

The Wall street markets continue very dull. The Stock Exchange and Gold Board have adjourned to Saturday, out of respect for the holy day of Good Friday. The banks and private bankers will remain open, as the day is not a legal holiday. GOLD ADVANCED TO 113%.

The "bull" party in the Gold Room made another advance in the premium, basing their action upon the announcement from London that the specie in the Bank of England had fallen off £400,000. Last week the decrease was £300,000—a steady drain, which is regarded as likely to render the London money market active. Five-twenties came quoted at 88½ to-night, which is lower than in the forenoon. Gold at its lowest sold at 112½, but from that point steadily advanced to 113%-the clique brokers being very conspicuous in the movement. The loaning rate and the gold balances at the Clearing House also indicate speculative operations in view of the expected decline in the receipts of cotton from this time nenceforward. The receipts for the current week are reported over 20,000 bales less than last week. The course of the gold market was as follows:—

 STOCKS DULL AND FIRM.

The stock market was again dull. The principal dealings were in the Vanderbilt snares, Northwest, Lake Shore and New Jersey Central in the railways and in Canton and Pacific Mali in the miscellaneous list. New Jersey Central was strong at 100 on purchases against the closing of the books for the annual election. Lake Shore rose to 88½ upon purchases by the brokers of the ex-president of the Erie Railway, who has emerged from comparative obscurity to take another "short turn." Pittsburg sold at 102. The Vanderbilt shares were steady, with a rather heavy tone to transactions in the scrip. The other principal rathways were higher and firm. Canton touched 70%. The highest and lowest of the leading speculative stocks were as follows:-

SOUTHERN SECURITIES DULL-TENNESSEES STRONG. The Southern State bonds were without feature, except in the new Tennessees, which rose to 54. These issues are in the hands of a "bull" party, who are satisfied as to the value of the investment, having, as they did, sold them short at 46 and covered and gone long at 52. The following were the latest street prices for the Southern list:—Tennessee, ex coupon, 50 a 60; do., new, 53½ a 53¾; Virginia, ex coupon, 60 a 69½; do., new, 60 a 69½; do., registered stock, 57 a 5734; Georgia sixes, 85 a 87; do. sevens, 93 a 94; North Carolina, ex coupon, 46 a 4634 do., new, 22 a 22½; Missouri sixes, 92 a 93; Louisiana sixes, 75 a 70; do., levee sixes, 76 a 77; do. do. eights, 92 a 93; Alabama eights, 97 a 98; do. fives, 75 a 80; South Car-olina sixes, 87 a 80; do. new, 81 a 81½; city of Mem-phis sixes, 51 a 52; city of Atlanta eights, 82 a 85; city of Savannah sevens, 87 a 90; city of New Or-leans consols, 74 a 76; do. do. issue railroads, 72 a 74; Mobile and Ohio sterling, 75 a 76; do. eights, 70 a 71; Mississippi Central Railroad, first mortgage, 77 a 79; do. do., second mortgage, 62 a 65; Memphis and Charleston, first mortgage, 82 a 88; do. do., second mortgage, 78 a 80; do. do., stock, 49; Greenville and Columbia Railroad, guaranteed, 70 a 72; Macon and Brunswick Railroad, guaranteed by State of Georgia, 81 a 82; Arkansas sevens, 75 a 75%.

GOVERNMENTS STRONG.
The upward movement in gold was directly operative upon the government list. The '07's rose to 110%' and the whole market improved to a corresponding degree, closing strong as follows:-United States currency sixes, 111% a 111%; do., 1881, registered, 114 a 114%; do. do., coupon, 114% a 114%; do. fivetwenties, registered, May and November, 107 a 107¼; do., 1862, conpon, do., 112 a 112½; do. do., 1864, do. do., 110¾ a 110¾; do. do., 1865, do. do., 1111/4 a 1111/4; do. do., coupon, January and July, 109% a 109%; do. do., 1867, do. do., 110% a 110%; do. do. 1868, do. do., 110% a 110%; do. ten-forties, registered, 105% a 106; do. do., coupon, 10614 a 10614.

THE MONEY MARKET.

Money was easy at five to six per cent, unemployed balances being offered at the lower rate quite freely before the close of bank hours. There is as yet no sign of the activity so usual in the spring. The banks are receiving funds in excess of their shipments. Commercial paper is firm at seven to eight per cent for prime double names. Foreign exchange closed dull after the steamer, but steady at 108% a 108% for prime bankers' sixty day sterling.
